Dear Examiner:

In response to the Advisory Action mailed February 20, 2007, please amend the above-identified patent application as follows.

This response is also to be considered a Petition for Extension of Time, to obtain a four-month extension of the period for filing an appeal brief, thereby moving the deadline for response from April 22, 2007 to August 22, 2007. This amendment is believed to be a complete response.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper in order to put the claims in better form for appeal.

Remarks/Arguments begin on page 5 of this paper.
